Dear Mrs. Bordelon,

Thank you for your application to join the National Society Daughters of the American Revolution. We are delighted that you are interested in DAR membership and have been working to verify your submission. However, we will need assistance from you before we may proceed. Please provide acceptable documentation for the following item:

*Complete date and place of birth for your father, Roy Almyr Herring

The Society requires acceptable documentation for complete dates and places of birth and (when applicable) death for each individual in the first three generations of the lineage. We are unable to use the “United States Public Records 1970-2009” database at ancestry.com. We will request a copy of your father’s birth certificate showing his date of birth.

Thank you for your help. We look forward to hearing from you, and to welcoming you as a member of the Society.

Respectfully,
Bevin Creel
DAR Staff Genealogist

You are receiving this letter by email. However, please do not respond by email, but by U.S. mail. You (or your Registrar) will need to print off a copy of this letter and mail it with your response. Documentation received without the letter may not be processed. The time allotted for verification is two years from date of this letter. Should we remain unable to verify your submission by Sept 2023, it will be returned to you at that time. The supporting documentation will not be returned and vital records will be shredded. National dues will be refunded, but the application fee will be retained to offset processing costs.

When replying, please return this letter with the barcode unaltered to identify yourself, your ancestor and your chapter. This will expedite review of your papers. ***Please send only one set of proof.***
